

ISHCMC - AA Weekend School

THE SATURDAY ADVANTAGE

DISCOVER A WORLD OF LEARNING EVERY SATURDAY!

ISHCMC - AA Weekend School, proudly introduces a dynamic weekend educational program for students from Grade 6 to Grade 12. Each Saturday, we offer specialized courses in English, Mathematics, SAT, Multi Sports (Pickleball, Volleyball, Basketball) and Robotics, designed to cater to diverse learning needs and enhance academic and skills development.

The ISHCMC - AA Weekend School

Explore the enriching experience ISHCMC - AA Weekend School has to offer and help your child thrive in an engaging learning environment!

TEACHING EXCELLENCE

Learn with ISHCMC-AA's highly experienced and dedicated teachers.

CUSTOMIZED LEARNING PATHWAYS

Small class sizes allow for personalized attention, making it possible to tailor lessons to the specific needs and pace of each student.

A SAFE LEARNING ENVIRONMENT

Learn in a secure, well-maintained setting maintained to the highest safety standards.

COMMUNICATION WITH PARENTS

We maintain transparent, open lines of communication with parents and report regularly on progress.

Our Courses

ACADEMIC ENGLISH

This Academic English class is designed to help students strengthen their reading, writing, and communication skills. Through targeted exercises, engaging activities, and personalized instruction, students will improve their understanding of grammar, vocabulary, and sentence structure.

SAT PREP (ENGLISH & MATH)

Boost the SAT scores with our dynamic prep course, tailored to help Highschool students excel in both Math and English! Gain the skills and confidence they need to tackle the SAT tests and achieve the best results. This course is designed for students in Grades 10, 11 and 12.

MATH SKILLS BUILDER

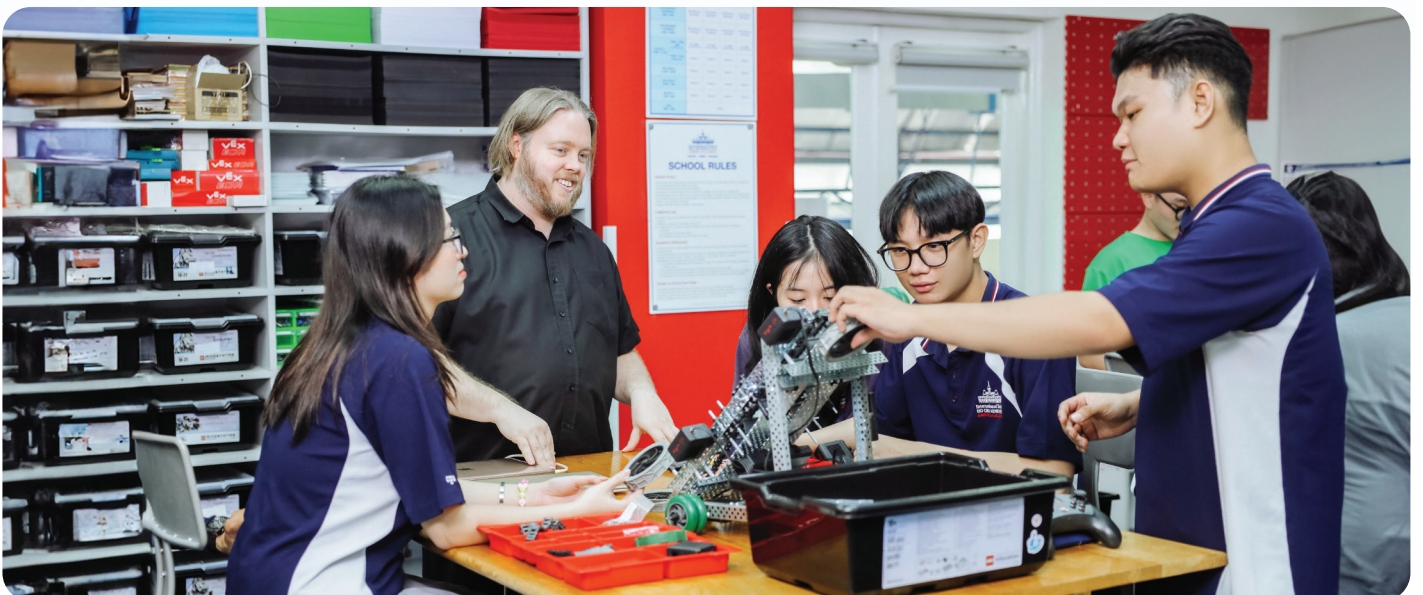

The course is designed to help students increase their math skills in order to reach grade level. Students will take a diagnostic test to identify gaps in their learning and set targets. Teacher works with students in small groups using direct instruction and individual practice. Students are assigned practice work to do at home.

SPORTS

The exciting sports course is designed for students to actively participate and enhance their skills. Various sports will be offered including volleyball, pickleball, basketball and football.

ROBOTICS

Open to all students of any grade and level of experience. This course offers hands-on learning in Robotics, Engineering, Electronics, Programming, and Design. Tailored activities match their level and interests, with opportunities to work independently or in groups. Dive into exciting projects using LEGO Mindstorms, Arduinos, Raspberry Pis, Laser Cutting & 3D Printing, and VEX Robotics. VEX team members can also enhance their competition robots during this time.

The Schedule

How does a perfect Saturday look? At ISHCMC - AA, it means engaging, productive learning in a class tailored just for your child.

Each weekend is 2.5 hours from 8:30 AM to 11 AM.
